

HOME OF THE PRIDE

An aerial architectural rendering of a sports complex. The central feature is a large green soccer field with a red running track around it. To the right is a baseball field with bleachers and a press box. In the foreground, there are several tennis courts and a hospitality center. A field house is located between the soccer field and the baseball field. A parking lot with several cars is visible on the right side. The entire complex is surrounded by trees with autumn foliage. Four callout boxes with white text on a dark background point to specific areas: 'NEW GRANDSTAND BLEACHERS AND PRESS BOX' points to the soccer field's seating area; 'FIELD HOUSE WITH LOCKER ROOMS AND FUNCTION ROOM' points to the building between the soccer and baseball fields; 'HOSPITALITY CENTER WITH CONCESSION AND RESTROOMS' points to the building near the tennis courts; and 'BLEACHERS AND PRESS BOX FOR SOFTBALL FIELD' points to the seating area of the baseball field.
