

HOME OF THE PRIDE

An aerial architectural rendering of a sports complex. The central feature is a large green soccer field with a red running track around it. To the right is a baseball field. In the foreground, there are several tennis courts. A parking lot with several cars is visible on the right side. The entire complex is surrounded by trees with autumn foliage. Four callout boxes with white text on a black background point to specific areas: 'NEW GRANDSTAND BLEACHERS AND PRESS BOX' points to the soccer field; 'FIELD HOUSE WITH LOCKER ROOMS AND A FUNCTION ROOM' points to a large building near the baseball field; 'CONCESSION BUILDING WITH PUBLIC RESTROOMS' points to a building near the tennis courts; and 'PRESS BOX FOR SOFTBALL FIELD' points to a small structure near the baseball field.
