COMPLETING REGIS' ATHLETIC COMPLEX

# RAISE THE ROAR

*We are in the midst of a dynamic and exciting time at Regis.*

Our enrollment continues to grow and our student-athletes are competing at a higher level than ever before. We are also in the final stretch of the *Now We Fly* campaign, a \$40-million fundraising initiative that is the most ambitious in Regis history.

The incredible success of our athletic programs has served to amplify a known, critical need for facilities that support our high caliber student-athletes. We have set an ambitious \$7.2-million goal to fund the completion of our outdoor Athletic Complex, which includes construction of a field house, concession building, grandstand bleachers, and press boxes. This project will position Regis as a leader in the Great Northeast Athletic Conference and beyond, further enhancing our reputation, attracting a more competitive pool of student-athletes, and building enrollment and retention.

Regis student-athletes are a great source of pride in our community. The completion of the complex will provide greater resources for our student-athletes, strengthen the overall community, and ensure greater success for our future by creating a more vibrant Regis campus.

We hope we can count on your support. Your gift will make a positive impact on the lives of our student-athletes and the entire Regis community.

**FIELD HOUSE**  
WITH LOCKER ROOMS  
AND FUNCTION ROOM

**CONCESSION**  
BUILDING WITH  
PUBLIC RESTROOMS

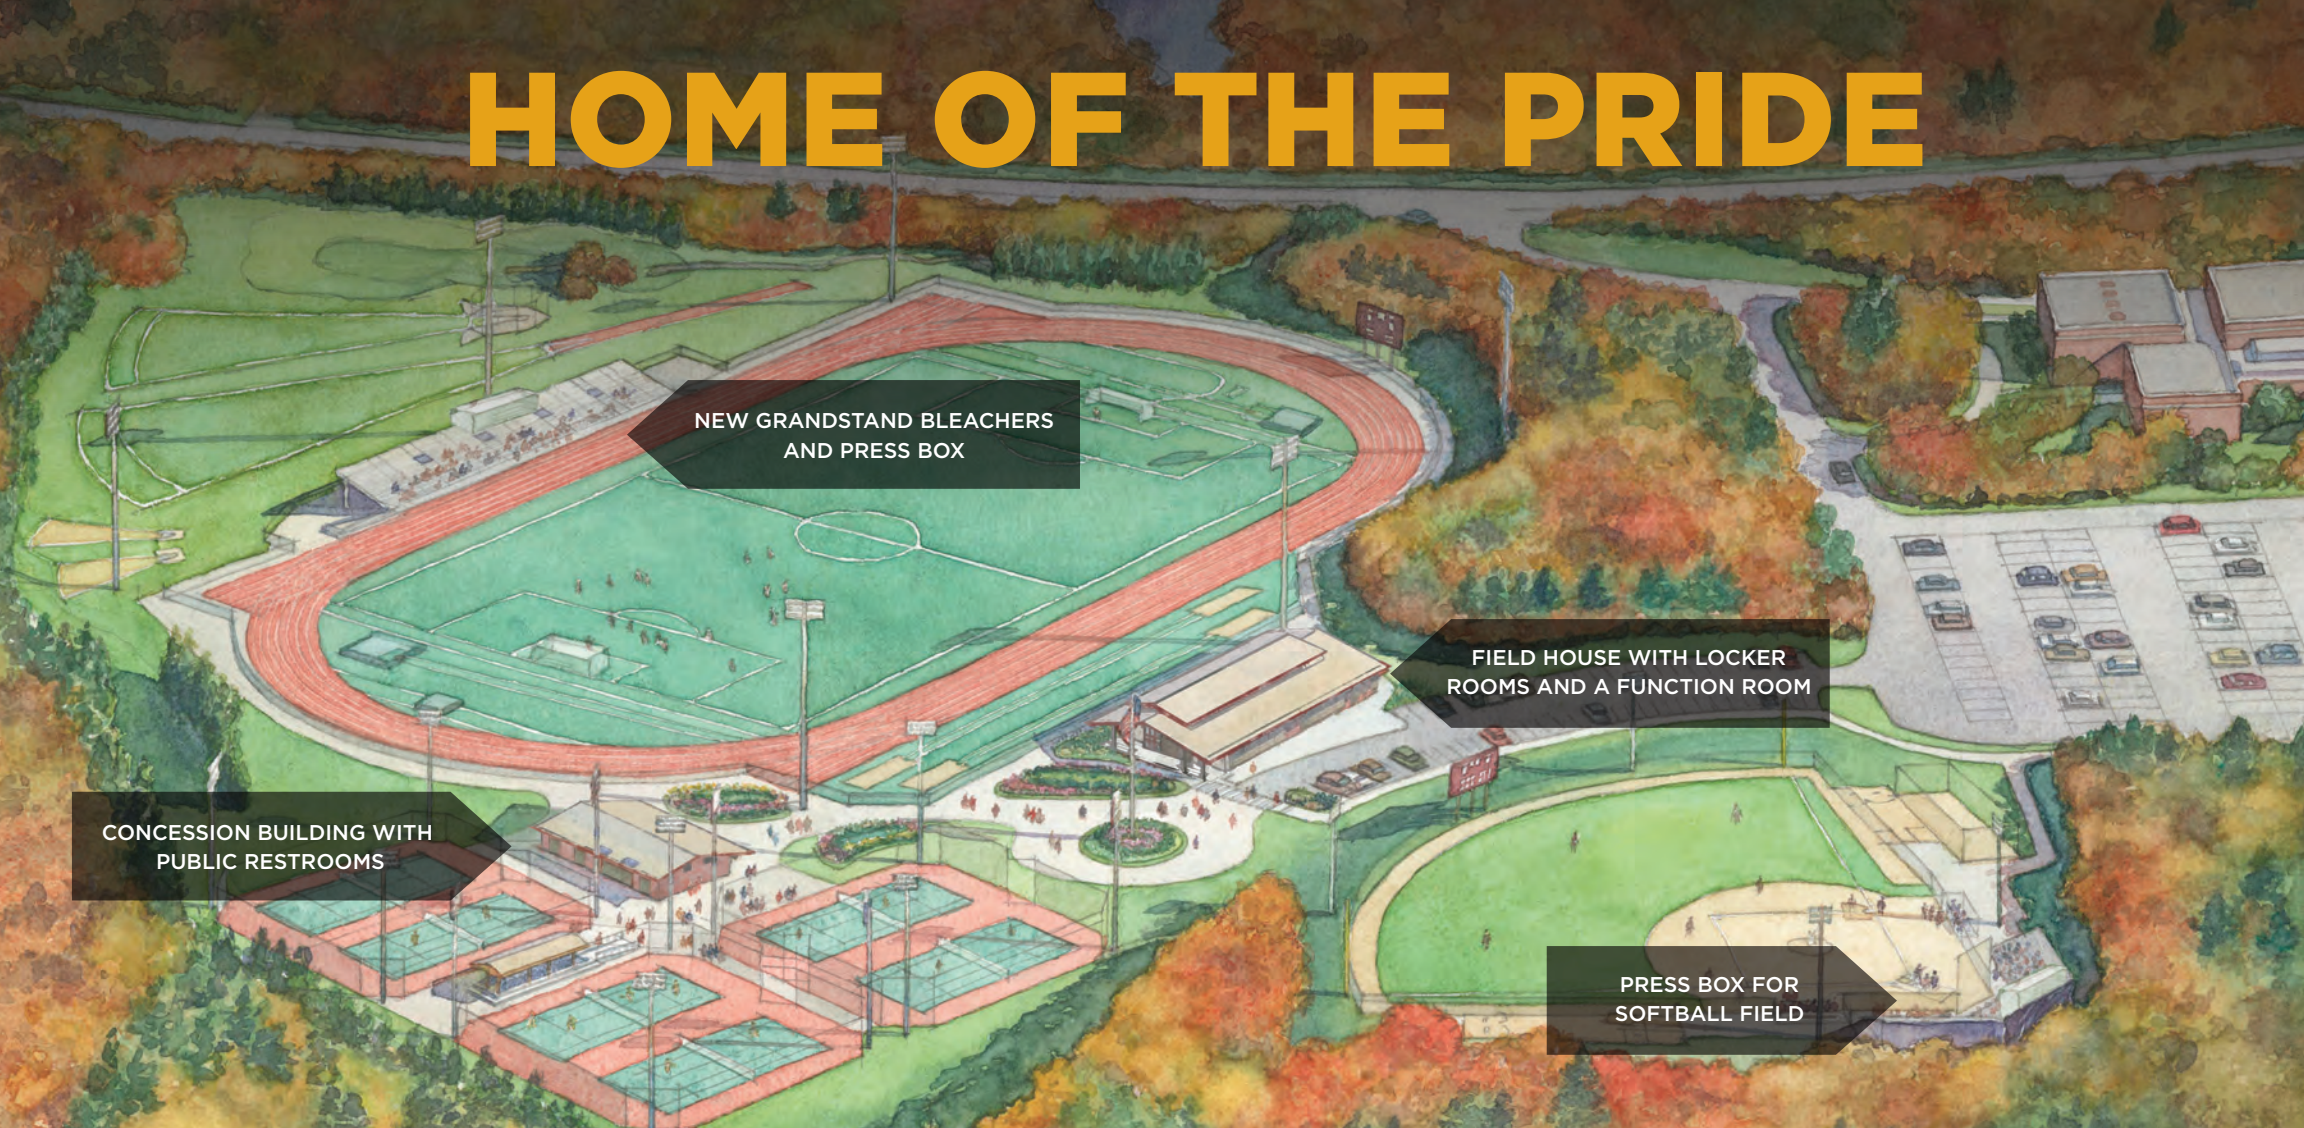

The project also includes grandstand bleachers and press boxes for the softball field and turf field and track.

The new facilities will elevate the reputation of Regis Athletics as a leader in the GNAC and provide a more desirable location for hosting competitive events, including NCAA tournaments.

*"I love Regis because of the small-knit community you join from your first day on campus. Regis has so much to offer and there are many opportunities to get involved in the university from athletics to club events. This project will be an amazing addition to Regis athletics and will provide yet another reason for student-athletes to be proud members of the Pride. Entering a new, competitive conference, these updates will help our teams to elevate their level of play while providing families, friends, and fans a top-notch facility to enjoy."*
