REGIS GALA

\$25,000

SHINING STAR SCHOLARSHIPS

Provides partial-tuition scholarships for exceptional students, many of whom are the first in their family to attend college and otherwise wouldn't have the means to further their education—especially at a private, Catholic university.

\$10,000

MERIT SCHOLARSHIPS IN MEMORY OF SISTER THÉRÈSE HIGGINS, CSJ, '47

Students with a consistent GPA of 3.2 or higher (historically the average GPA of recipients is 3.8) who value the CSJ ideals are selected for these awards in memory of the former Regis president.

\$5,000

MERIT SCHOLARSHIPS IN HONOR OF SISTER JEANNE D'ARC O'HARE, CSJ, '39

Sister Jeanne's legacy as the sixth Regis president was her dedication to community building, a component of the Regis experience that is still so important today. Students who receive this scholarship not only excel academically, but also socially as members of the community who give back to the university by making its campus a positive and rewarding place for all.

BRIDGING THE GAP

College tuition all over the country is at an all-time high; there are so many Regis students who receive scholarship or aid in order to subsidize their education costs. Your gift can bridge the gap for students who have proven their potential but need just a little extra funding to graduate.

SHARING OPPORTUNITIES

Gifts of all amounts make a tremendous difference in Regis' ability to offer scholarships to deserving students. For decades, Regis supporters have been sharing opportunities—paying it forward to help the next generation of leaders.
